

Kahler Glen Vision Planning Committee

Subcommittee Volunteer & Question Form

Mission Statement:

To develop a plan to support and improve the quality of life, harmony, and financial viability of the Kahler Glen community

Subcommittee Descriptions:

Social & Recreational Sub-Committee

Charter: Recommendations for improving and expanding diverse family-friendly, social, and recreational activities. Survey points to diversity of interests and need for family-friendly environment.

Resource Management Sub-Committee

Charter: Provide recommendations for maintaining and improving environmentally responsible resource usage (including water rights, easements) and waste disposal.

Governance Sub-Committee

Charter: Develop a vision for a stable community-responsive management model with defined succession planning, capable of integrating decision making and assuring alignment of, and between, the entities.

Financial Sustainability Sub-Committee

Charter/Deliverable: A plan that recommends a financial model, incorporating community input into the levy of dues and other assessments required to deliver community required services, assuring the autonomy of the Kahler Glen community.

Communication Sub-Committee

Charter: Provide recommendations to improve the communication within, and understanding between, the community and its citizens.
